Sir,

Remission of Market Khist in Chellakere town Municipality

I have the honour to state that the right of collecting Market fee on vehicles and animals entering the weekly shandy at Chellakere during the year 1947-8 was sold in public auction and the final bid amount of Rs 8345/- offered by Janab T M Khasim sab was accepted by the Municipal Council at their meeting held on 9-6-1947

During the recent Congress movement, the holding of the weekly shandy at Chellakere was prohibited for a period of four weeks in the District Magistrate's notification No J3 654/47-8 dated 26-9-1947 and accordingly two weekly shandies were not held on the 28th Sept 1947 and 5th Oct 1947 In the meanwhile, due to improved conditions at Chellakere, the prohibition order was withdrawn and the shandy was permitted to take place from 12th Oct 1947 in memo No J3 654/47-48 dated 8th Oct 1947 of the District Magistrate This fact was intimated to the contractor by the President on 10-10-47

The shandy contractor presented an application to the President on 2-11-1947 representing that even though orders were issued to hold the shandy from 12-10-47, the fact was not made known to the surrounding villagers with the result that the gathering of the shandy on 12th Oct 1947 was not as usual but it was very poor and consequently he has sustained heavy loss The Amildar President, does not agree with the statement of the contractor and has mentioned on the back of the petition that there was shandy going on as usual The council at their meeting held on 20-11-47 have resolved that a remission of three week's khist amount may be given to the contractor as recommended by the managing committee As per the statement of accounts

furnished by the contractor it may kindly be seen that a sum of Rs 25-6-0 has been collected and a sum of Rs 15-0-0 spent towards the charges of cooly etc The income at the next shandy ie ,on 19 10-47 was Rs 60-8-0 The average income per shandy is more than Rs 125/ It is reported by the President that the statement of accounts produced by the contractor has been verified by him and found correct Khist amount only for the month of April 1947 is due from the Contractor

The memo withdrawing the prohibitory order was received by the President on 9-10-47 and this fact was not widely published There is not even a notification available in the record to that effect nor even the report of the Sanitary Inspector to show that at least the matter was published by beat of tom tom in Chellakere town

In the above circumstances, I request that sanction of Govt may kindly be obtained to the resolution of the Municipal Council for remitting 3 week's khist amount ie Rs 481/

The entire file of papers received from the President of Chellakere Municipality is enclosed herewith for favour of perusal and return

I have the honour to be,
Sir,
Your most obedient Servant,

Deputy Commissioner, Chit Dist
